Subject: A very urgent Communication regarding a Very Unfortunate and Unlawful Injustice to the Principal of a Charuchandra College

To: <wbcmro@gmail.com>

To  
The Hon'ble Chief Minister  
Govt of West Bengal  
30 B, Harish Chatterjee Street,  
Kolkata 700026

Madam,

With most humble representation and due respect I write to draw your kind attention to the prevailing condition. I am thankful to the Respected Officer on Special Duty, who had done his level best to put forward my petition and tried to resolve the matter.

The undersigned is still awaiting for your kind intervention and draw your kind attention to gross violation of human rights, natural justice and human rights by the President of Governing Body of Charuchandra College against the undersigned.

As a sincere soldier of the Phineas, the undersigned had submitted a number of petitions on 14.01.2019 (Nabanna), 21.01.2019 (Kalighat), 20.02.2019 (Kalighat) to your office for your kind perusal and needful action to save a law-abiding individual and his family from total injustice that is affecting the medication of his ailing mother, education of his young kid and extreme hardship to run day-to-day family expenditures.

In each of the above letters, the undersigned informed to your office that the Principal of Dr Charuchandra College, Dr Satrajit Ghosh was forced to refrain from the College Premises as per the email notification (received at 5-04 pm of 27.11.2018) of Dr Sibransan Chatterjee, the Hon'ble President of the Governing Body of the College.

Since then the undersigned had **not received any salary / allowance in any form from the State Exchequer for the last 186 days. Furthermore, he did not take any permission from the President of the Governing Body to be engaged in any other avocation / employment.**

Furthermore, he is yet to be properly served "any **Complaints / Allegations against him with documentary Evidence within this tenure of one hundred and ninety-eight days.**

Dr Satrajit Ghosh did not receive any emoluments to his salary account as recorded in HRMS / COSA during this tenure. He is unable to join to any other avocation / employment because he did not take any permission / no objection from the President of the Governing Body ( his employer as per rule). This is in concurrence with the relevant entries of Form 26-AS issued by Incometax Authority of Govt of India.

In those letter it was appropriately pointed out regarding his total holistic approach towards public Administration and Public Finance, (through his immaculate passion, dedication and efficiency during his stay at the office of the Principal (01.12.2016 to 5-03 pm of 27.11.2018)). This might have been aggrieved and dissatisfied some quarters, because the College was under the surveillance of the Education Directorate for its Administrative and Financial Irregularities of the earlier regime (the undersigned was not a stake-holder of the College during that tenure) vide ED -1067/2017 dated 22.02.2017.

I took a coveted appointment to meet the Hon'ble Minister in Charge of Higher Education at his office at 4-00 pm of 26.02.2019 with all the relevant /supportive documents to resolve the matter. Although, I patiently waited there from 3-30 pm to 8-55 pm of 26.11,2019, he could not meet me because of his busy schedule.

Being an ardent follower of Swami Vivekananda and an Alumni of IIT Kharagpur, I am bewildered and perplexed by this undue treatment.

**Madam, I again request you for your kind intervention and save a law-abiding Academic Administrator from this undue activities of the Governing Body.**

With best regards

Dr Satrajit Ghosh

Principal, Charuchandra College

("suspended" by the President of the Governing Body, vide email dated 27.11.2018 received at 5-04 pm)
